

**AMENDMENT TO THE DUAL DEGREE AGREEMENT  
BETWEEN  
FLORIDA INTERNATIONAL UNIVERSITY  
AND  
BEIJING JIAOTONG UNIVERSITY**

This Amendment ("**Amendment**") to the Dual Degree Agreement for the **Bachelor of Science in Civil or Environmental Engineering ("BSCE/BSEnvE")**, by and between **Beijing Jiaotong University** whose address is No. 3 of Shangyuan Residence, HaiDian District, Beijing, P.R. China ("**BJTU**") and **The Florida International University Board of Trustees** on behalf of **Florida International University ("FIU")** whose address is 11200 SW 8<sup>th</sup> St., Miami, Florida 33199 USA, is made and entered into this 17<sup>th</sup> day of October 2011.

**RECITALS:**

WHEREAS, BJTU and FIU entered into an Agreement dated 20<sup>th</sup> day of May 2011 herewith enclosed ("**Original Agreement**");

WHEREAS, BJTU and FIU desire to amend the Dual Degree Agreement on the terms provided below;

NOW THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Parties, the Parties hereby agree as follows:

1. **Item I: "general admission requirements"** of the Original Agreement is hereby amended as follows:
  - Applicants whose native language is not English must demonstrate proficiency in the English language by presenting a minimum score of 63 on the **Internet Based Test ("iBT")**, **Test of English as a Foreign Language ("TOEFL")**, or the equivalent minimum score of 500 on the paper-based version of the TOEFL, or a minimum of three (3) on the **Advanced Placement International English Language Examination ("APIEL")**. The **International English Language Testing System ("IELTS")** exam is accepted; students would need a minimum score of five (5.0).
  - Completion of the majority of the UCC requirements and Engineering Lower Division requirements with a minimum 2.0 **grade point average ("GPA")**; and,
  - Completion of the Engineering Lower Division Science and Math Common Prerequisites requirements with a grade of 'C' or higher in each course.
2. **Appendix A** is amended to incorporate the following:

**GLOBAL LEARNING FOR GLOBAL CITIZENSHIP**

Global learning is an educational process that fosters the knowledge, skills, and attitudes of global citizenship through active, team-based, and interdisciplinary exploration of essential questions and real-world problems. Through the process of global learning, all FIU undergraduates will acquire knowledge of the interrelatedness of local and global issues, the ability to analyze issues from multiple perspectives, and the willingness to

engage in local, global, international, and intercultural problem-solving. Students must take a minimum of two (2) global learning (GL) designated courses prior to graduation. Freshmen entering FIU in the Summer B 2010 or later must take at least one (1) GL foundations course as they are completing their UCC requirements and at least one (1) upper-division discipline-specific GL course as they are completing their major requirements. Transfer students entering Fall 2011 or later who meet UCC requirements prior to entering FIU must take at least two (2) upper-division discipline-specific courses (*one [1] of the two [2] may be a GL foundations course in consultation with your advisor*). Transfer students entering Fall 2011 or later who do not meet UCC requirements prior to entering FIU must take one (1) GL foundations course and one upper-division discipline-specific course. **Note:** transfer courses may not be used to meet this FIU requirement.

*Note that the FIU undergraduate requirements indicated in this amendment are subject to change, and students participating in this dual degree program are required to fulfill the FIU undergraduate catalog requirements of the year of their admission.*

To view the most recent version of the FIU undergraduate catalog, go to: <http://undergrad.fiu.edu/advising/uccform.html>.

3. In "Additional Provisions," the following sentence is added to the first paragraph (prior to the Disclaimer Statement): This exchange of materials and information is subject to the requirements of Part 736 of the Export Control Administration regulations (15 CFR Part 736) enclosed in the Original Agreement as **Appendix F**, and as they may be amended in the future.

Except as amended hereby, all other terms and conditions of the Original Agreement shall remain the same and are hereby ratified and reaffirmed by the Parties.

The Parties have executed this Amendment on 17<sup>th</sup> day of October 2011.

For Beijing Jiaotong University:

Feng Chen, Ph.D.  
Vice President

Qingchao Wei, Ph.D.  
Dean  
School of Civil Engineering

Approved:

Ning Bin  
President

For The Florida International Board of Trustees:

Irma Becerra-Fernandez, Ph.D.  
Vice Provost for Academic Affairs

Amir Mirmiran, Ph.D.  
Dean  
College of Engineering and Computing

Approved as to the Form and Legal Sufficiency:

Elizabeth Marston, Esquire  
Associate General Counsel
